WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

THE FOUR GENTLEMEN
LES QUATRE GENTILSHOMMES
LOS CUATRO CABALLEROS

PEACH PHALAENOPSIS ORCHID

A staple in interior decor, the orchid is often seen as a popular motif in art. In a tradition that spans more than a thousand years, it is often portrayed in ink and wash paintings as part of a classic quartet of beautiful plants known as The Four Gentlemen, or The Four Noble Ones. Together, they represent the virtues and continuous circle of the seasons: The orchid (spring), the bamboo (summer), the chrysanthemum (autumn) and the plum (winter). With its beauty and endurance, the orchid symbolizes nobility, friendship and integrity – all refined virtues of a scholar.

L'ORCHIDÉE PAPILLON

Un élément incontournable de la décoration intérieure, l'orchidée est souvent utilisée comme motif dans l'art. Dans une tradition qui remonte à plus de mille ans, elle est souvent représentée dans des peintures à l'encre et au lavis comme faisant partie d'un quatuor classique de belles plantes connu sous le nom des « quatre gentilshommes » ou des « quatre nobles plantes ». Ensemble, elles représentent les vertus et le cercle continu des saisons : l'orchidée (le printemps), le bambou (l'été), le chrysanthème (l'automne) et le prunier (l'hiver). Par sa beauté et son endurance, l'orchidée symbolise la noblesse, l'amitié et l'intégrité – toutes les vertus raffinées d'un savant.

ORQUÍDEA PHALAENOPSIS DURAZNO

Un básico en la decoración de interiores, la orquídea suele ser un motivo popular en el arte. En una tradición que abarca más de mil años, con frecuencia vemos su imagen plasmada en pinturas de tinta y aguada como parte de un cuarteto clásico de hermosas plantas conocido como los cuatro caballeros o los cuatro nobles. Juntas, representan las virtudes y el ciclo continuo de las estaciones: la orquídea (primavera), el bambú (verano), el crisantemo (otoño) y el ciruelo (invierno). Con su belleza y resistencia, la orquídea simboliza nobleza, amistad e integridad: las refinadas virtudes de un erudito.

NOBLE BY NATURE

Creating LEGO® decor that draws inspiration from nature is a relaxing and rewarding way to set your imagination free. With their flawless symmetry, orchid blossoms peek out to greet us from the humblest nooks and crannies in nature. They stretch towards the light and absorb nutrients and moisture from their surroundings. This model captures every stage in the natural life cycle of an orchid, from emerging buds to full blossoms, and you can play with the poseable petals to adjust it organically and find new ways to let it brighten your space. Whether it sparks your curiosity for new, noble, scholarly pursuits or nurtures your growing creativity, we hope you will enjoy the experience.

– The LEGO® Botanicals Design Team

NOBLE DE NATURE

La création de décors LEGO® inspirés de la nature est un moyen relaxant et gratifiant de laisser libre cours à notre imagination. Avec leur symétrie impeccable, les fleurs d'orchidées nous accueillent dans les plus modestes recoins de la nature. Elles s'étirent vers la lumière et absorbent les nutriments et l'humidité de leur environnement. Ce modèle reproduit toutes les étapes du cycle de vie naturel d'une orchidée, des bourgeons naissants aux fleurs épanouies. Vous pouvez manipuler les pétales mobiles pour obtenir un effet organique et trouver de nouvelles façons de faire briller la fleur dans votre espace. Nous espérons que vous appréciez cette expérience, qu'elle éveille votre curiosité pour des activités nouvelles, nobles et savantes ou qu'elle nourrisse votre créativité florissante.

- L'équipe de conception de LEGO® Botanique

NOBLES POR NATURALEZA

Crear un elemento decorativo LEGO® inspirado en la naturaleza es una manera relajante y satisfactoria de dar rienda suelta a tu imaginación. Con su impecable simetría, las flores de las orquídeas se asoman a saludarnos desde los rincones y recovecos más humildes de la naturaleza. Se estiran hacia la luz y absorben del entorno los nutrientes y la humedad que necesitan. Este modelo captura cada etapa del ciclo de vida natural de una orquídea, desde los brotes emergentes hasta las flores completamente abiertas. Además, puedes ajustar los pétalos articulados para darle un toque orgánico y encontrar nuevas formas de iluminar tu espacio. Ya sea que despierte tu curiosidad por nuevas y nobles actividades intelectuales o que nutra tu creciente creatividad, esperamos que disfrutes de la experiencia.

- El equipo de diseño de LEGO® Botanical
